Diploma in Montessori Pedagogy – Birth to Seven (Early Years Educator)

Who is this course for?

This course is designed for those wanting to start a career in Montessori education with a nationally recognised qualification and want the flexibility of part-time or online study.

Why study this course?

This is a vocationally based course developed to meet the demand for well-qualified Montessori early childhood educators who can combine a range of skills with specific attitudes to children.

Flexible Study Modes

Study part-time flexibly over a maximum of 2 years. Study at one of our MCI centres one day per week over one year or join our growing body of students studying online via distance learning. We currently have centres in London, Essex and Hampshire.

Blended Learning

The international nature of Montessori education is reflected in our diverse student body studying worldwide with MCI. We have developed a blended learning approach which combines face to face and online learning using our innovative Virtual Learning Environment. This enables learners to communicate, reflect and collaborate, establishing a vibrant international community of Montessori learners fit for the 21st Century.

Find out more by visiting our blog – www.mcivil.com – or ask for a guest pass from admissions@montessori.org.uk to try the course for yourself.

What will you study? – Course Content:

Theoretical subjects: Study Skills * Montessori Philosophy * Child Development and Observation * Contemporary Early Childhood Practice * Promoting Children's Health and Well-being

Montessori Areas of Learning: Activities of Everyday Living * Education of the Senses * Numeracy and Arithmetic * Literacy * Knowledge and Understanding of the World * Creativity

Assessment: You will be assessed through a variety of *written assignments*, a *practical assessment* and during your *placement*.

Professional Placement: You will apply your knowledge and skills on a **professional placement of 400 hours in an approved Montessori setting**, supported by an MCI tutor and a placement mentor.

Online students complete an **apparatus workshop** where you gain hands on experience with the Montessori materials. These workshops are held at a range of **MCI approved locations** in the UK and overseas. Full details are available on our website: www.montessoritraining.org.uk

How will you study?

All students have access to the course materials online through our Virtual Learning Environment and follow the same timetable. College based students attend weekly sessions whilst online learners study with support from a dedicated tutor via email and video calling. All students interact together through online forum.

After your studies...

MCI graduates have the knowledge and skills needed by the Montessori community; employability and work-based learning are key aspects of the training. Students gain a full and relevant qualification that fully meets the current Early Years Educator requirements. MCI Diploma Level 4 graduates can also gain direct entry to Level 5 (Year 2) of our Foundation Degree and can then progress on to a full BA (Hons) Degree in Early Childhood.

What our students say:
